Mr. Ronald Kossik  
702 New York Avenue  
Manitowoc, WI 54220

RE: Mr. Kossik and the open records requests of Manitowoc County Departments.

Dear Mr. Kossik:

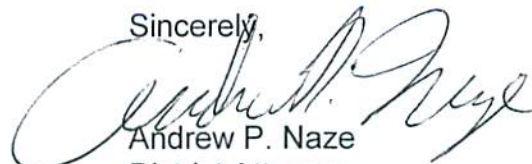

As you know, I have been appointed special prosecutor with regards to the above-referenced matter. I have received several emails from you and copies of your requests made to the various department heads, from Mr. Rohrer.

Please provide me any further information, documents, or correspondence that you believe supports your position. I have requested that Mr. Rollins provide any information on why he has not fulfilled the records request from the various departments.

I want to give both parties an opportunity to provide a complete picture of their positions, instead of relying solely on the emails.

I understand time is of essence, so I trust both parties will expedite the requested information. Once I have received everything, I will notify each of you, in writing, if I intend to file a Writ of Mandamus or other legal action against the County.

Sincerely,

Andrew P. Naze  
District Attorney
